Information Assurance Publishers and Books

Students are encouraged to study these venues publications and publish their own work with conferences and book publishers. Keep in mind that our university has an online subscription to each of these through Galileo (at https://library.columbusstate.edu/services/students/galileo.php).

Journals

Journal of Information Privacy & Security**:** 2005 - present

International Journal of Computational Intelligence and Information Security (IJCIIS): 2010 - present

International Journal of Information Security Science: 2012 - present

IEEE Transactions Dependable & Secure Computing: 2004 - Present
